

# MEET THE YBHL TEAM!

## Youth Behavioral Health Liaison

YBHL goal: to link youth with behavioral health resources and provide support for families of the identified youth in need in gaining access to these resources.

## How We Can Help

- Assist youth and families during a behavioral health crisis
- Answer general questions about youth mental health:
  - Diagnosis
  - Treatment
- Link youth and families to resources that meet their needs
- Provide education about mental illness and treatment options
- Training for community partners

## YBHL Team

24 Hour Crisis Line: 988

## Youth Behavioral Health Liaison Program

- This is a FREE resource to be used in the counties of Platte, Clay and Ray
- Focus on building relationships with law enforcement, schools, juvenile office, courts, and children's division
- Build connection with local systems to care for youth with behavioral health needs
- Participate in Crisis Intervention Teams to assist law enforcement
- Assist schools with students experiencing behavioral health needs
- Answer general questions about youth mental health diagnosis, issues, and treatment
- Link youth and families to appropriate services/youth
